

Drill Down Sample

This report shows the usage of the drill-down feature in the Java viewer. To see the detailed information for a company in the list below, select the company in the group tree on the left side of the Java viewer and click on "Drill Down" in the popup menu. The company details will be displayed in a new tab.

Some sections are suppressed in the main report, e.g. the detail section. These sections will be displayed in the drill down tab if "Suppress on Drill Down" is not enabled.
